

## Cushion Station™

## vs. Traditional Drainable Mats

Made of durable nitrile rubber foam

Made of rubber

Grease/oil proof & chemical resistant

Claims grease/oil proof & chemical resistance  
(not made of 100% nitrile, meaning grease/oil will degrade mat)

Superior anti-fatigue properties

Minimal anti-fatigue properties

Anti-microbially treated for odor control

No anti-microbial treatment

Flexible, easy to lift, roll, and clean

Heavy, difficult to move/roll

Beveled edges allow carts to easily roll over

No beveled edges; can create tripping hazard

100% customer satisfaction guaranteed

Limited warranty
